

**Unique / Eye catching / Memorable / Cost Effective / Presentable / Carbon Neutral**

### **Try something different! - pedal powered and positively carbon neutral**

No 1 rickshaw hire company offering choice of event transport, private hire for weddings, hen nights, tours and more. Our eco-media is affordable, carbon neutral, non-traditional advertising space. People not only notice this high visibility, high impact media, but they enjoy the experience and remember it.

#### **Ethical advertising and promotions:**

Very distinctive chariots are designed for the streets of London with the maximum media space in mind. Daily city presence and the ambient travel speed provides a constant level of exposure, recognition and recall of the brand name.

Benefit from the pedicab driver adding a personal touch to rides, carrying a WoM message across.

#### **Event hire:**

Add an original feature to your event with services ranging from shuttle rides, transport for VIP, conferences, exhibitions or event awareness campaigns. Our unique chauffeur driven chariots create a memorable experience while gaining you valuable environmental credentials.

Every mile with eco chariot is CO2 free.

#### **Private hire/ Weddings/ Celebrations:**

Chariots provide an entertaining and unique wedding transport choice to whisk newlyweds for a romantic journey, or the whole party between venues. Decorated to match the wedding colours, travelling eco-style can make your special day perfect. Chariots are very popular with hen parties and birthdays and tourists.

**Unique:** Advertising that moves with the audience. It's new, different and fun.

**Eye catching:** Visible with a 360 ° view, capturing audiences from every angle.

**Memorable:** Get more mileage from your campaign with the WOW factor.

**Cost effective:** Maximise the campaign's success by seeking out audiences in hard to reach areas.

**Presentable:** Dedicated WoM experienced team of riders, trained to operate at the highest standard, will put across any provided campaign information.

**Responsible:** All of our fully trained riders are covered by Public Liability Insurance.

**Carbon neutral:** Built specifically as a sustainable form of mobile advertising/transport for London.
